

Activa Premium

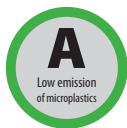

- Microfiber mop for dry and damp cleaning
- Extremely high absorption
- Cut middle part, looped wreath

Activa Premium is a Nordic Swan Ecolabelled microfiber mop with extremely high absorption and cleaning effect. The high absorption makes the mop sufficient for a larger cleaning surface for moisture cleaning.

Activa Premium mop is built with 4 layers: cleaning surface, built-in microcloth for absorption, fabric to maintain shape after washing and velor velcro.

The mop has low friction and the looped yarn wreath is an effective dust absorber.

Activa Premium mop is available in three sizes (30, 40 and 60 cm) and cleans effectively with just water. It does not scratch the surface. Wash according to washing instructions for best durability (Activa Ready guarantee).

Product information
