

Activa Premium

Mikrofiber mop

Cradle to Cradle Certified® Bronze and Nordic Swan Ecolabelled mop with extremely high absorption and cleaning effect. The high absorption makes the mop is sufficient for a larger cleaning surface for moisture cleaning.

Activa Premium mop is built with 4 layers: cleaning surface, built-in microcloth for absorption, fabric to maintain shape after washing and velcro.

The mop has low friction and the looped yarn wreath is an effective dust absorber.

Activa Premium mop is available in three sizes (30, 40 and 60 cm) and cleans effectively with just water. It does not scratch the surface. Wash according to washing instructions for best durability (Activa Ready guarantee).

Color	Grey / White
Material	100% split twisted ultramicrofiber
Washing instructions	 <p>Lower the washing temperature to protect the environment. Wash with suitable detergent 60 ° C and at maximum washing temperature if necessary. When washed at 60°C, our mops can handle about 2000 washes. At higher temperatures, the mops retain their properties in at least 500 washes.</p>
