**HT30.0**  
BY HYGIENOTEKNIK

**A top machine – swift, compact and reliable**

The Activa HT30.0 is a powerful vacuum cleaner - efficient, compact, reliable and easy to handle.

The powerful and power saving 700 watt motor and adjustable airflow guarantee an excellent cleaning result with a low noise level. Ideal for cleaning in areas such as offices, hospitals and hotels.

The Activa HT30.0 has a neat and smart design with comfortable, one-handed transport due to its light weight and compact dimensions, space for nozzles on the back of the vacuum cleaner, easy to change bag, 15 meters of blue cable and many accessories to fit.
