

THE CHOICE IS YOURS

...but we always want to offer sustainable alternatives!

As a company we are always working for sustainability and reduced climate impact. Our ambition is to get all our suppliers to think about recycling in a larger perspective. We also want to make it easier for you as a customer to be able to choose products that reduce climate impact.

In this way, we can all together make the cleaning industry more sustainable!

Examples of products produced from new raw materials

WASTEBASKET 16 LITRE - ARTICLE NO. 25017
TOILET BRUSH & HOLDER BASIC - ARTICLE NO. 23322
